ARTICLE 1 - PREAMBLE

This Agreement is entered into by and between the City of Largo, Florida, hereinafter referred to as the "Employer" and Pinellas County Professional Firefighters International Association of Firefighters (IAFF) Local 4966, hereinafter referred to as the "Union".

It is the purpose of this agreement to achieve and maintain harmonious relations between the employer and the union; to provide for equitable and peaceful adjustment of differences which may arise; and to establish proper standards of wages, hours, and other conditions of employment.

NOW, THEREFORE, the parties agree with each other as follows:

ARTICLE 2 - UNION RECOGNITION

Section 1

The Employer recognizes the Union as the sole exclusive bargaining agent for the purpose of negotiations over salaries, benefits, and all other conditions of employment for all employees in the bargaining unit.

Section 2

The bargaining unit shall consist of those classifications in the Fire Rescue Department as determined by the Public Employees Relations Commission.

In the event the City introduces a line rank job classification below the rank of District Chief, the City agrees to offer no objection to the inclusion of the position into the bargaining unit. The City and Union agree that the position of Assistant Fire Chief is excluded from the bargaining unit.

Current classifications in the bargaining unit are as follows:

Firefighter/EMT
Firefighter/Paramedic
Fire Lieutenant
Rescue Lieutenant

Section 3

A Firefighter/Paramedic is a separate job classification within the City's Fire Rescue Department. Employees in these classifications are to perform duties as stated in their job descriptions.

Section 4

Voluntary demotions will be implemented in accordance with Team Member Employment Guidelines.

ARTICLE 3 - MANAGEMENT RIGHTS

Section 1

Management officials retain the full and unrestricted rights to the following, provided they do not conflict with or violate any of the terms of this Agreement:

- a. To operate and manage all personnel, facilities, and equipment; to determine the purpose of the department; to determine methods, means and number of personnel needed to carry out the department's mission, including the determination of crew size; to set standards of service to be offered to the public.
- b. To establish functions and programs; to set and amend budgets; to determine the utilization of technology, including the introduction of new or improved methods or facilities or the changing of existing methods or facilities.
- c. To determine and modify the organizational structure; to select, direct, transfer, assign, and determine the number of personnel and take disciplinary action including discharge, for just cause; to establish normal work schedules and the scheduling of overtime; to relieve employees from duty because of lack of work or when the continuation of work would be wasteful or unproductive.
- d. To promulgate, implement, and enforce any rules and regulations concerning Employee practice or working conditions.

Section 2

The Employer will maintain job descriptions for those job classifications covered by this agreement. Management possesses the sole right to establish specifications for each class of position, to classify and reclassify, to allocate and reallocate new or existing positions, and reserves the right to create or abolish any job position or title. Department management shall notify the Union of such actions prior to implementation. It is understood by the parties that every incidental duty connected with operations, as enumerated in job descriptions, is not always specifically described, and employees, at the discretion of the Employer, may temporarily be required to perform duties not within their job description.

Section 3

If in the sole discretion of the Employer it is determined that civil emergency conditions exist, including but not limited to riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Agreement may be suspended by the City during the time of the declared emergency provided that wage rates and other direct monetary payments shall not be suspended. Discipline shall be for just cause during declared emergencies and shall be grievable within ten days of the end of the declared emergency.

Section 4

Nothing in this Agreement shall prohibit or restrict the right of the Employer from subcontracting work performed by this Agreement. However, prior to subcontracting on-going work performed by bargaining unit employees that will result in a reduction of jobs or a layoff, the City shall provide the Union a minimum of sixty (60) days written notice prior to implementation. This section does not apply to subcontracting in emergency situations or for special projects of limited duration and scope.

Section 5

The above rights by the Employer are not all inclusive but indicate the type of matters or rights which belong to or are inherent to the Employer.

Section 6

Nothing in this Article shall be construed to restrict the ability of the union to engage in impact bargaining as provided for in State Statutes.

ARTICLE 4 - REPRESENTATIVE OF PARTIES

Section 1

The Employer agrees that during the term of this Agreement it will deal only with the authorized representatives of the Union in matters requiring the mutual consent or other official action called for by this Agreement. The Union agrees to notify the Labor Relations Officer and Fire Chief of the name of such authorized representatives as to the execution of the Agreement and replacement thereof during the term of this Agreement.

Section 2

The Employer and Union agree that during the term of this Agreement both parties will deal only with authorized representatives in matters regarding the negotiation and administration of this Agreement. This section shall not restrict members of the Union from having the same legal rights as any citizen.

ARTICLE 5 - UNION REPRESENTATION

Section 1

The Employer agrees to recognize the Union representatives designated by the Union. The Union shall furnish written notice to the Labor Relations Officer and Fire Chief of such Union representatives.

Section 2

There shall be up to ten (10) Union representatives authorized by this Agreement.

Section 3

The Union agrees to assign one Executive Vice President, District Vice President, Steward, or the President to each grievance who may process that grievance up to and including Step 3 during normal working hours without a loss of earnings or benefits. The Union reserves the right to change the assigned representative processing the grievance upon notification to the Fire Chief or designee and the Labor Relations Officer. The performance of this function by the Union official shall in no way interrupt the normal functioning of the department. During working hours fire station telephones may be used by the assigned Union official to process and investigate grievances. The Union agrees to guard against the use of excessive time for such activities. The Employer and the Union agree that maintenance of superior service and adherence to schedules are compelling commitments which may at times create delays and necessitate postponements. The Union official will provide advance notice to the Fire Chief or designee to allow planning arrangements, staffing permitting, to enable the Union official time for investigative activity. When a Union official desires to contact an Employee who has a complaint, they shall first obtain oral permission from the Fire Chief or designee. If permission must be denied at that particular time, the Union official will be informed of the reason for the denial and when they can reasonably expect to contact the Employee concerned. The Union official will notify the Fire Chief or designee upon return to work.

Class action grievances may be processed by the President or any one steward subject to the above conditions.

Section 4

Department management agrees not to permanently transfer stewards unless it is necessary for the efficient operation of the Fire Service. In the event it becomes necessary to transfer a steward permanently, the Union will be notified. Temporary transfers are those transfers for a period not to exceed ninety (90) days.

Section 5

Solicitation of any and all kinds by the Union, including but not limited to the solicitation of membership, shall not be engaged in during working hours.

Section 6

The Union may distribute literature concerning Union business or activities and conduct balloting for contract ratification, for election of representatives and voting on initiatives during duty hours provided it does not interfere with normal operations.

Section 7

The Union shall not distribute on City property materials that reflect on the integrity or motives of any individual, department, or activity of City government. Violation of this Section by employees may invoke disciplinary action.

ARTICLE 6 - PAYROLL DEDUCTION OF UNION DUES

Section 1

Employees represented by the Union may request on a prescribed form the authorization of payroll deductions for the purpose of paying Union dues. The Employer is expressly prohibited from any involvement in the collection of fines, penalties or assessments and shall not honor any requests of this nature other than for Union dues.

Section 2

The Union will initially notify the Finance Department as to the amount of dues to be deducted from a member's salary on a 24 pay period basis. This notice shall state the amount in dollars and cents for each individual member. Such notification will be certified to the Finance Department in writing over the signature of an authorized officer of the Union at least thirty (30) calendar days in advance of the effective date. Changes in membership dues will be similarly certified to the Finance Department and shall be done at least thirty (30) calendar days in advance of the effective date of such change.

Section 3

Deductions for Union dues will be honored providing an authorization form for such deduction is properly executed and has been submitted to the Payroll Section of the Finance Department.

Section 4

Transmittal of dues monies by the City will be made by direct deposit to a bank account designated by the Treasurer of the local union.

Section 5

The Union shall indemnify and hold harmless the Employer from any and all claims or demands and expenses in connection therewith based upon the Employer's participation in dues deductions.

Subject to the approval of management, the Union shall provide for bargaining unit members a form for authorization of dues deductions.

ARTICLE 7 - UNION BUSINESS

The City of Largo and the IAFF will work collaboratively to ensure the IAFF has the leave time needed to address union business. It is mutually beneficial for the City and the IAFF to work together to ensure the business needs of the union are met. This leave will be considered Administrative Leave and will begin with a balance of 200 hours. Time off under this provision shall be granted at the discretion of the City; however, the use of this time will not be unduly restricted by the City given sufficient notice by the IAFF.

ARTICLE 8 – NON-DISCRIMINATION

Section 1

Employees in the bargaining unit shall have the right to form, join and participate in, or to refrain from joining, forming or participating in any labor organization. Neither the Employer nor the Union will discriminate against any employees in regard thereto.

Section 2

The Employer and the Union will not discriminate against employees in regard to race, color, creed, sex, age, national origin, religion, or disability, as provided by law. Employees may pursue issues regarding discrimination through the Human Resources Department as provided for in City Team Member Employment Guidelines. Any matters regarding this section may not be grieved beyond Step 3 of the grievance procedure as provided for in Article 20.

ARTICLE 9 - PROHIBITION AGAINST STRIKES

Section 1

A strike shall be defined as: the concerted failure to report for duty, the concerted stoppage of work, the concerted submissions of resignations, the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of their duties of employment with the City or participation in a deliberate and concerted course of conduct which adversely affects the service of the City.

Section 2

Neither the Union, nor any of its officers or agents, or members covered by this Agreement, nor any other employees covered by this Agreement, will instigate, promote, sponsor, or engage in any strike, sympathy strike, slowdown, concerted stoppage of work or any other activity which prohibits an Employee from reporting for duty.

Section 3

The Union agrees not to picket over any matter subject to the grievance procedure provided herein. This does not restrict the Union's right to picket for other purposes so long as the same does not lead to a cessation of work by any bargaining unit members.

Section 4

Should the Union or a majority of the Union employees covered hereunder with the City's Fire Rescue Department breach this Article, the Employer may then proceed against the Union as provided in State Statutes.

ARTICLE 10 - BULLETIN BOARDS

Section 1

The Union shall be entitled to reasonable use of City internet, electronic mail, intranet and fax services, and a bulletin board at each station or office in work locations where they are established, or the Union may furnish a bulletin board for its use of a type and in an area agreeable to the Employer. If the Union furnishes a bulletin board, it is their responsibility for the care, maintenance, and replacement.

Section 2

These bulletin boards, fax, and City e-mail, intranet and internet shall be used for posting Union notices but restricted to:

- a. Notices of Union recreational or social affairs
- b. Notices of Union elections and results of such elections
- c. Notices of Union appointments and other official Union business
- d. Notices of Union meetings and educational material
- e. Any other information, including any notices and educational material, containing any information other than purpose, date, time and place, may be posted on such designated areas only upon approval of the Fire Chief or designee.

Section 3

All such notices shall be signed by a duly recognized officer of the Union.

Section 4

Supervision may remove Union material not in conformance with Section 3 of this Article and then inform officers of the Union.

Section 5

All costs incidental to preparing and posting of Union materials will be borne by the Union. The Union is responsible for posting and removing approved material on designated bulletin boards and for maintaining such bulletin boards in an orderly condition.

ARTICLE 11 - HOURS OF WORK

Section 2

Section 7

Failure to comply with the above sections may be cause for disciplinary action.

Section 8

In the event that court attendance and/or deposition arising from the scope of City employment may be required while off duty, an employee shall receive payment for the hours spent in court attendance with a minimum of two hours. - c. All trade time shall be recorded in the day book and an individual working the trade time shall assume all duties and responsibilities for whom they are working. In the event the regularly scheduled person fails to return to work for any reason at the agreed time, the person assuming their responsibilities shall complete the shift. Payback of trade time will be the responsibility of personnel involved in the trade. Payback of trade time is only permitted as an exchange of hours worked; cash or any other form of compensation is prohibited.
- d. The Employer shall not be required to allow an exchange if doing so would impose upon the City liability for any additional overtime compensation, or any other form of additional compensation, over what persons may otherwise be entitled to or if the level of service would be lowered as determined by departmental management.
- e. Employees will use the following guidelines when using trade time:
 1. Firefighter/EMT with Firefighter/EMT

If personality conflicts between unit members require a change in shift or station assignments the Fire Chief will consult with the Union President prior to any reassignment.

Section 2
